

Layered Charts Need Care

1 Introduction

Chart heavy papers draw the same figure in layers, and a text layer then holds every label once for each layer that was drawn. The prose of the paper is still printed only once, and a reader wants only that.

Python TypeScript Go	Python TypeScript Go	Python TypeScript Go
Rust C++ Java	Rust C++ Java	Rust C++ Java
Savings vs. baseline harness	Savings vs. baseline harness	Savings vs. baseline harness
50.0% cost saved 54.3% cost saved Python TypeScript Go	50.0% cost saved 54.3% cost saved Python TypeScript Go	50.0% cost saved 54.3% cost saved Python TypeScript Go
Rust C++ Java	Rust C++ Java	Rust C++ Java
Savings vs. baseline harness	Savings vs. baseline harness	Savings vs. baseline harness
50.0% cost saved 54.3% cost saved Python TypeScript Go	50.0% cost saved 54.3% cost saved Python TypeScript Go	50.0% cost saved 54.3% cost saved Python TypeScript Go
Rust C++ Java	Rust C++ Java	Rust C++ Java
Savings vs. baseline harness	Savings vs. baseline harness	Savings vs. baseline harness
50.0% cost saved 54.3% cost saved Python TypeScript Go	50.0% cost saved 54.3% cost saved Python TypeScript Go	50.0% cost saved 54.3% cost saved Python TypeScript Go
